As a provider of innovative interior design solutions, Pridespace provides clients with original and unique design solutions under strict deadlines and budget constraints. With each project, our creativity and professionalism have grown.

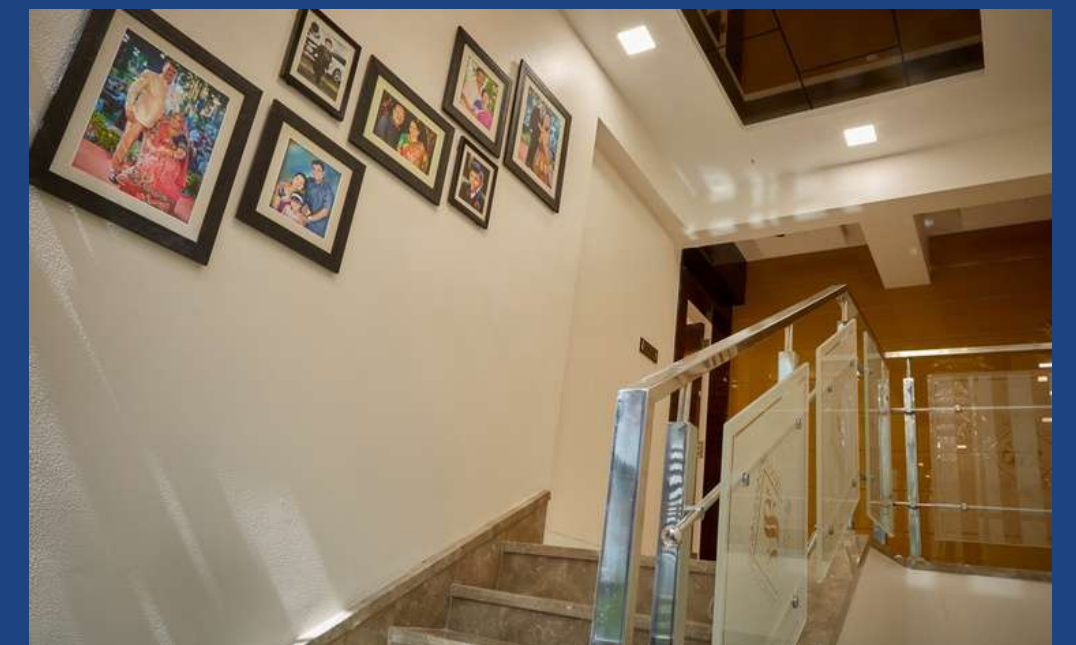

Residential

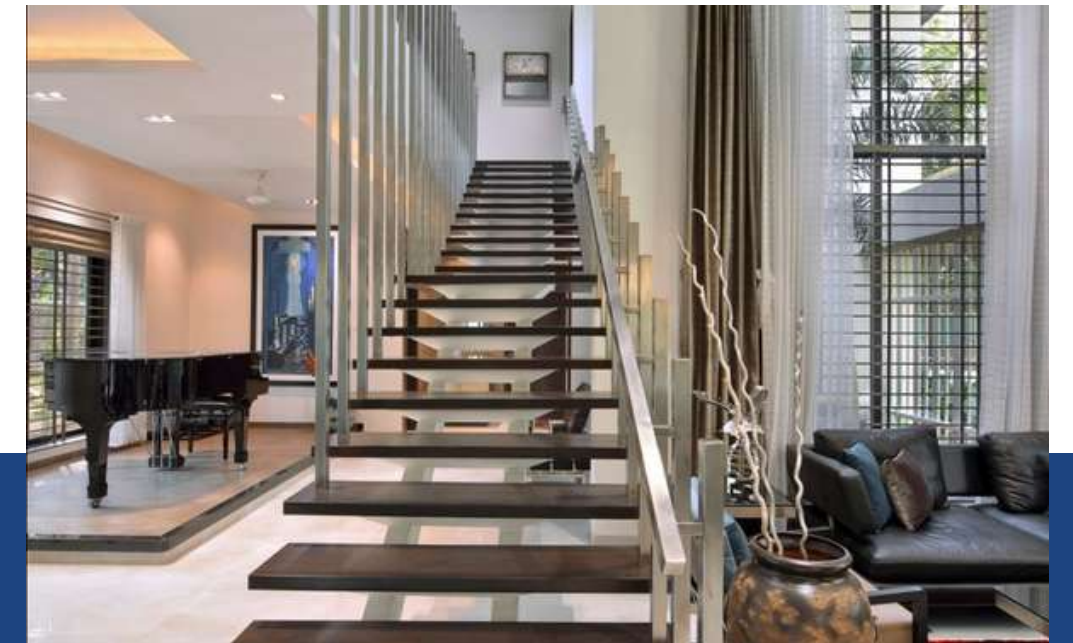

We are devoted to offering a qualitative Residential Interior Designing Service, as per the client's precise needs and requirements. This service is carried out under the strict supervision of our experts using the best grade tools and advanced techniques.

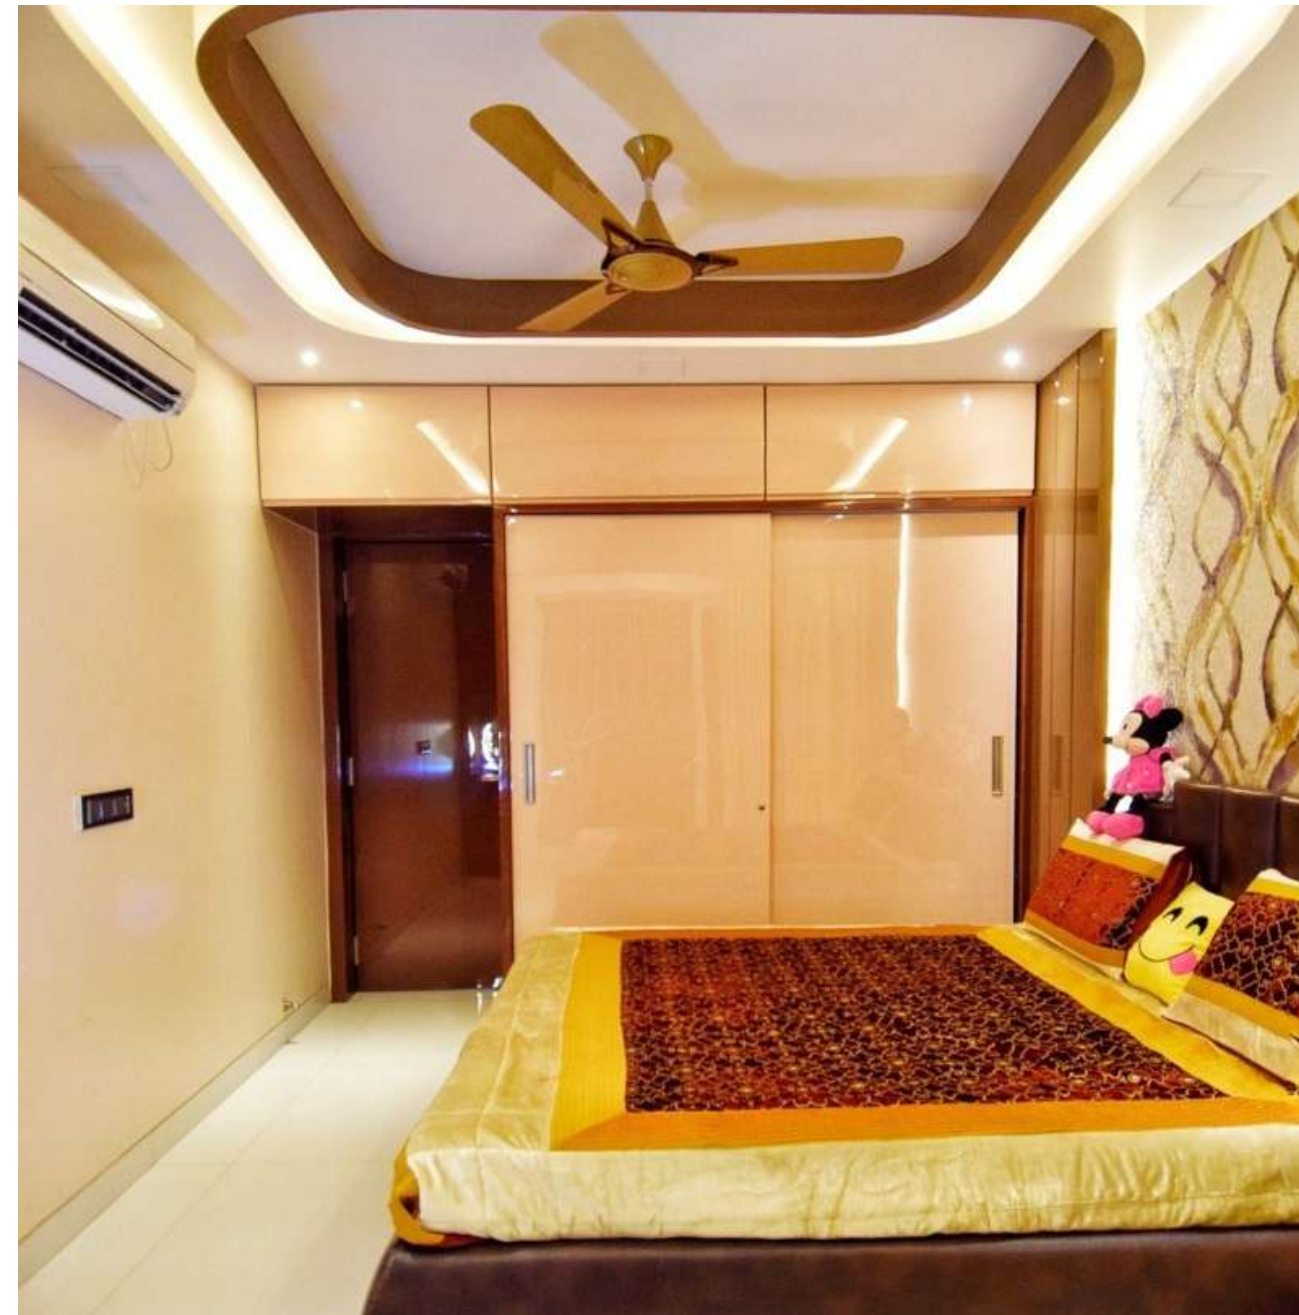

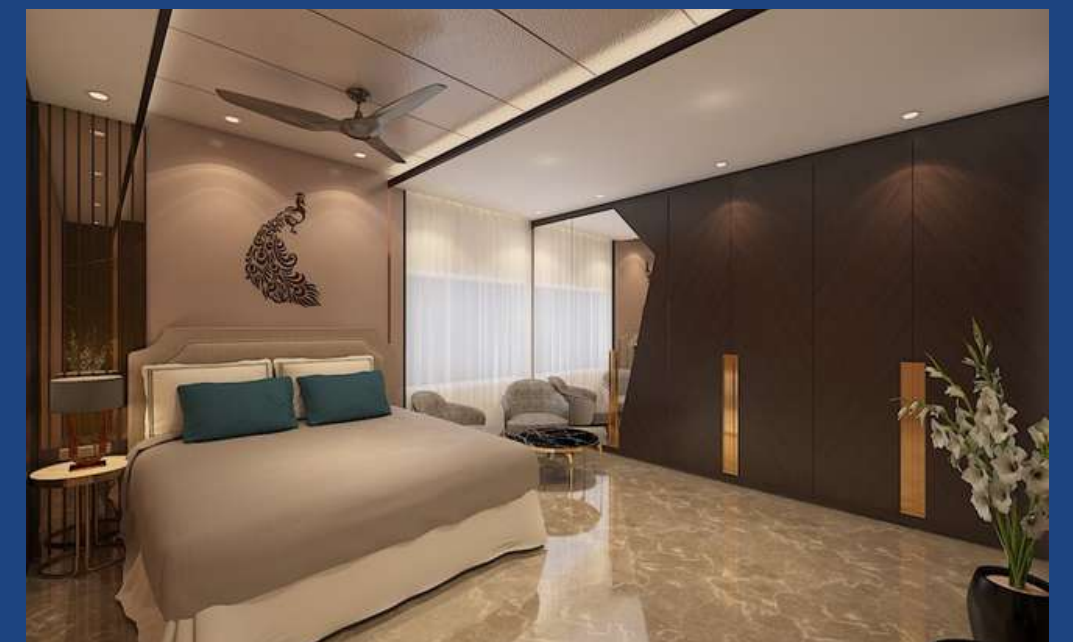

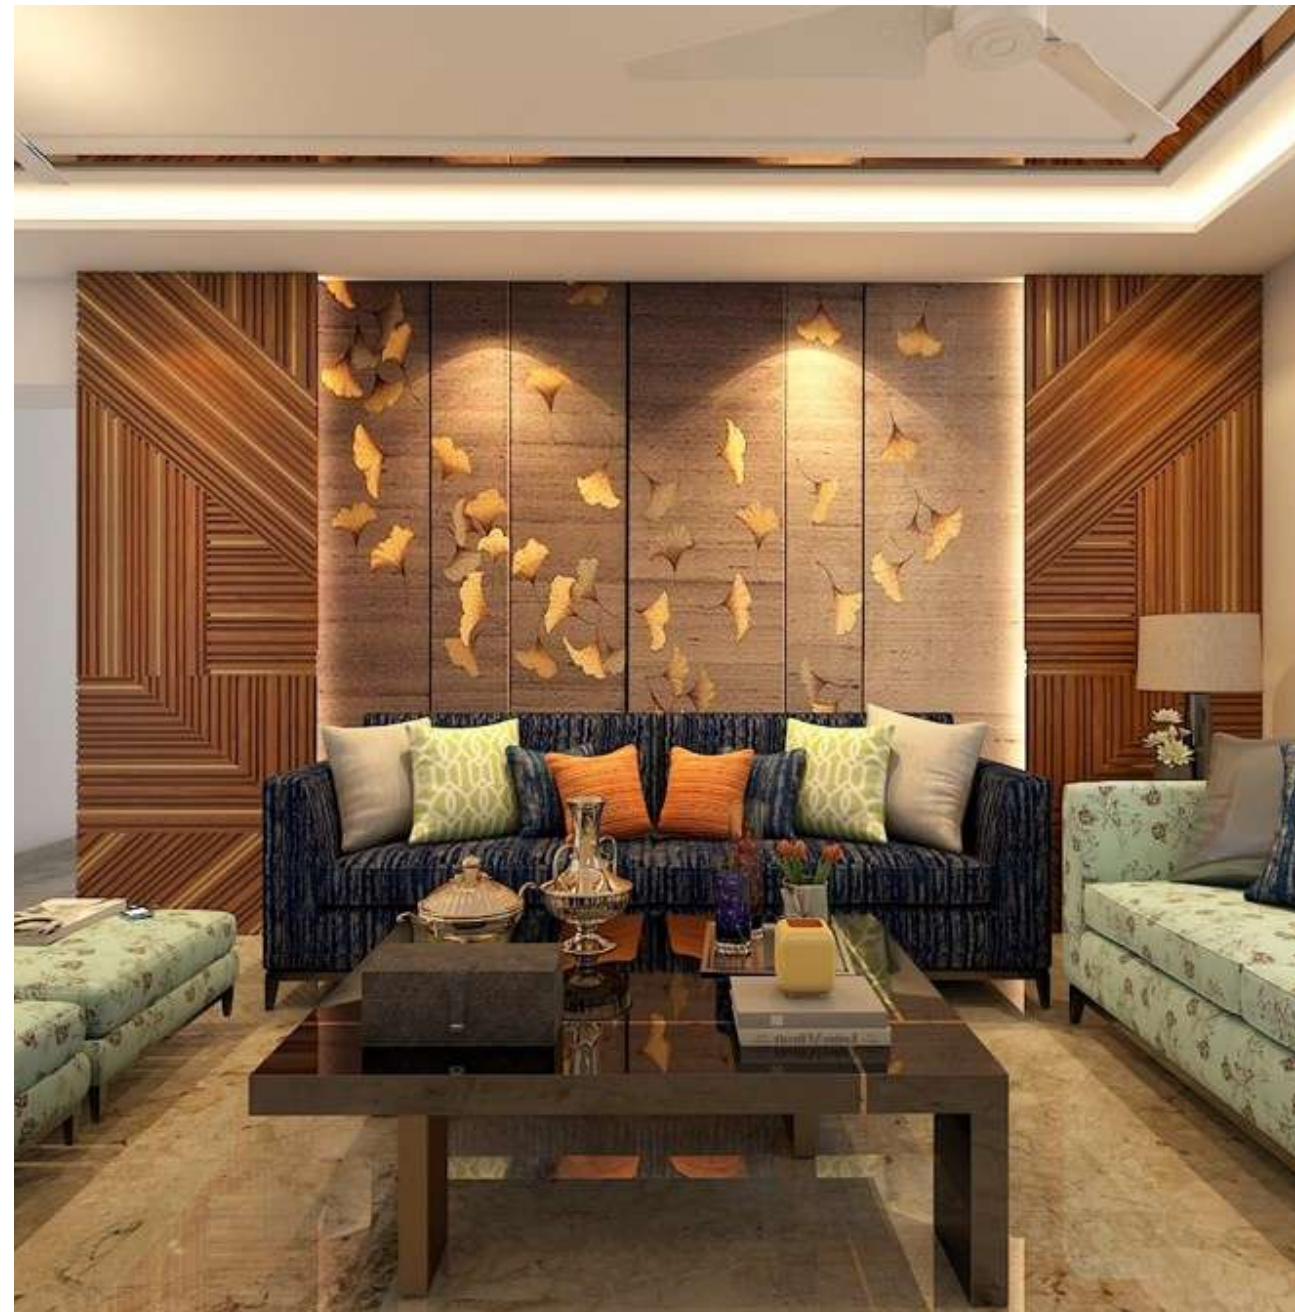

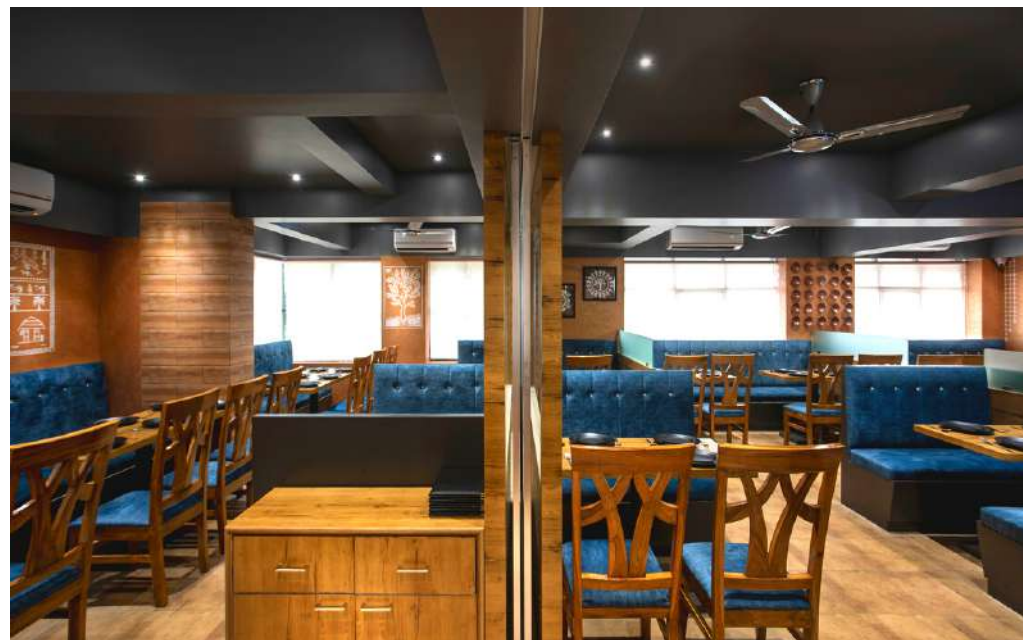

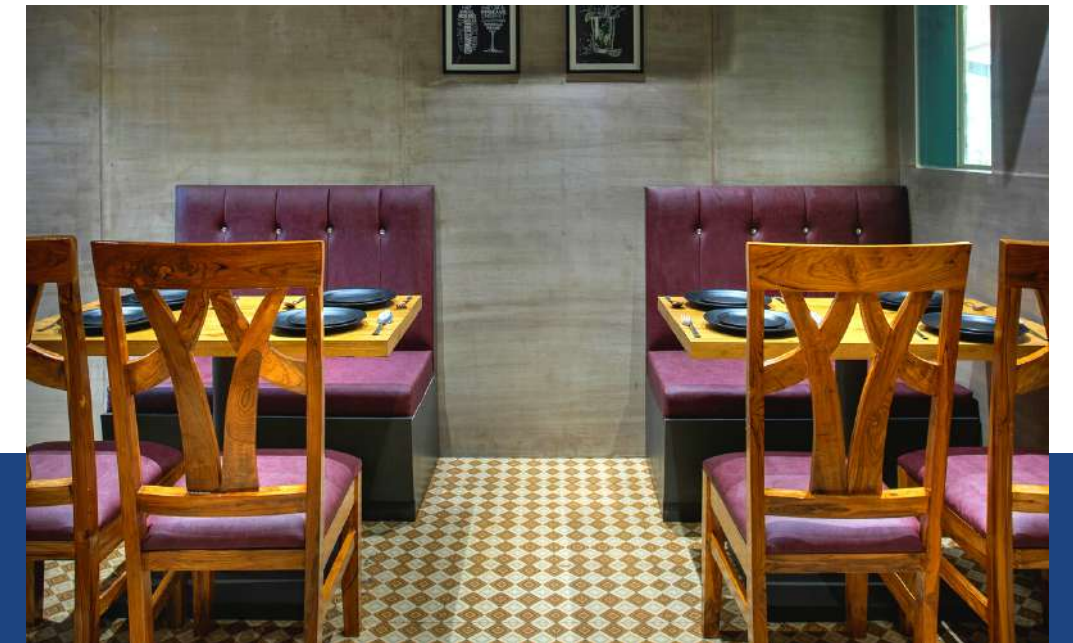

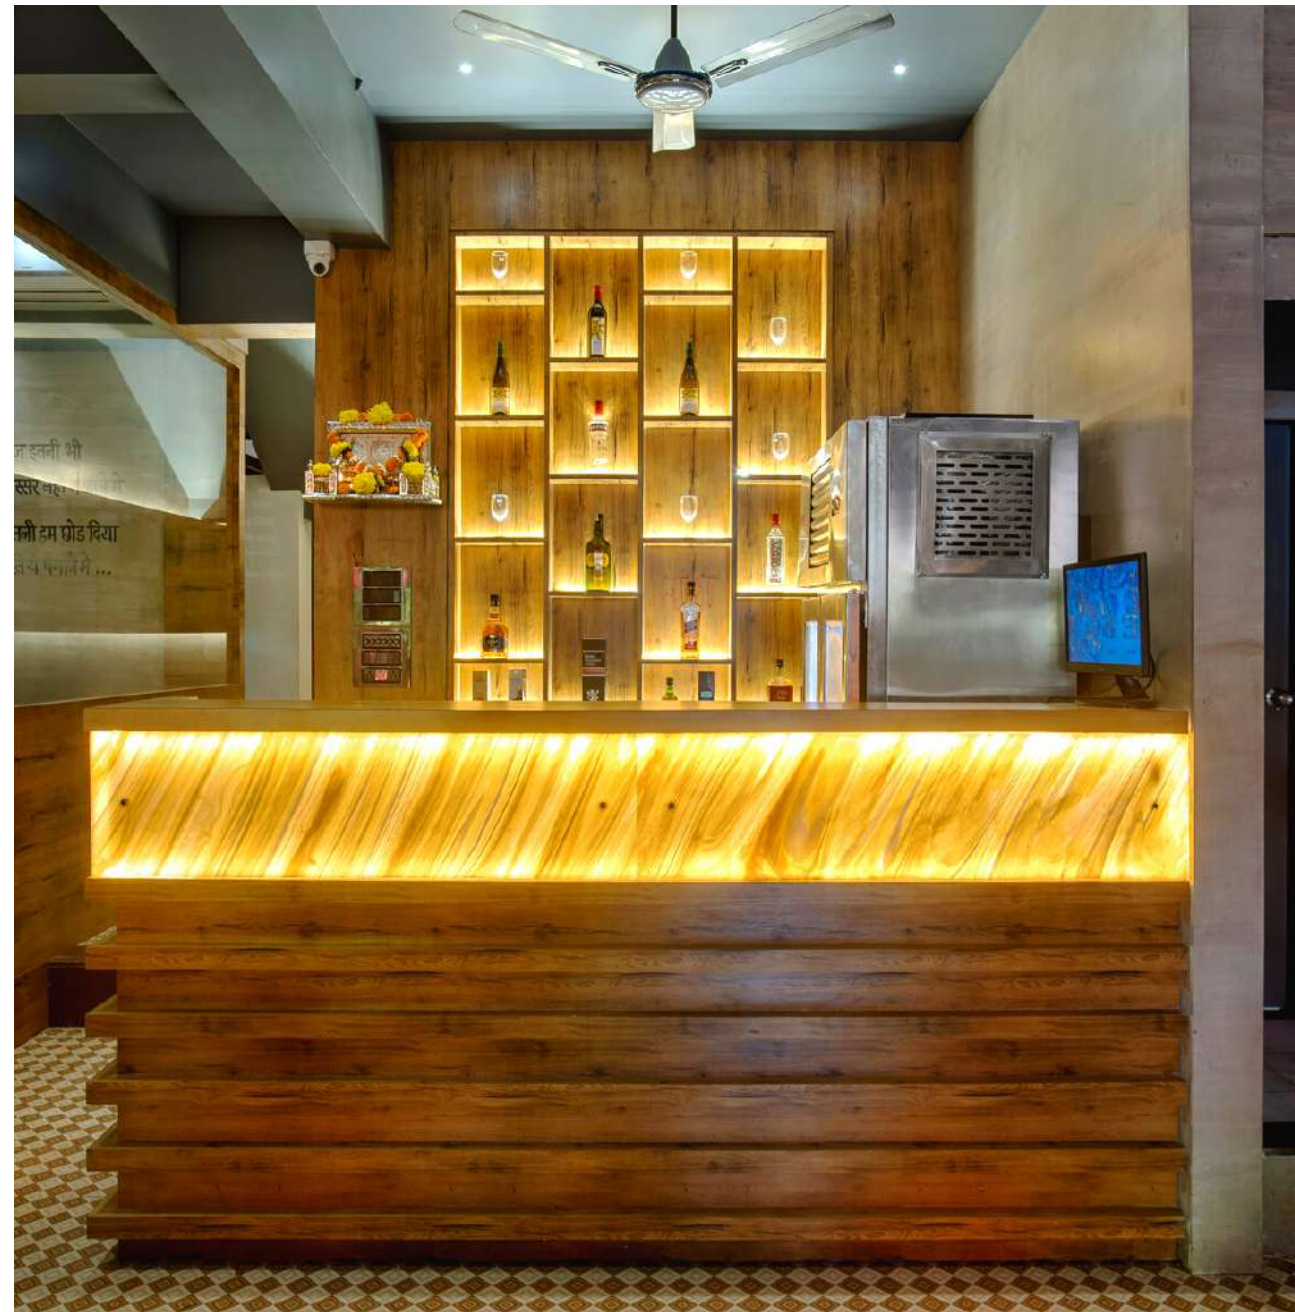

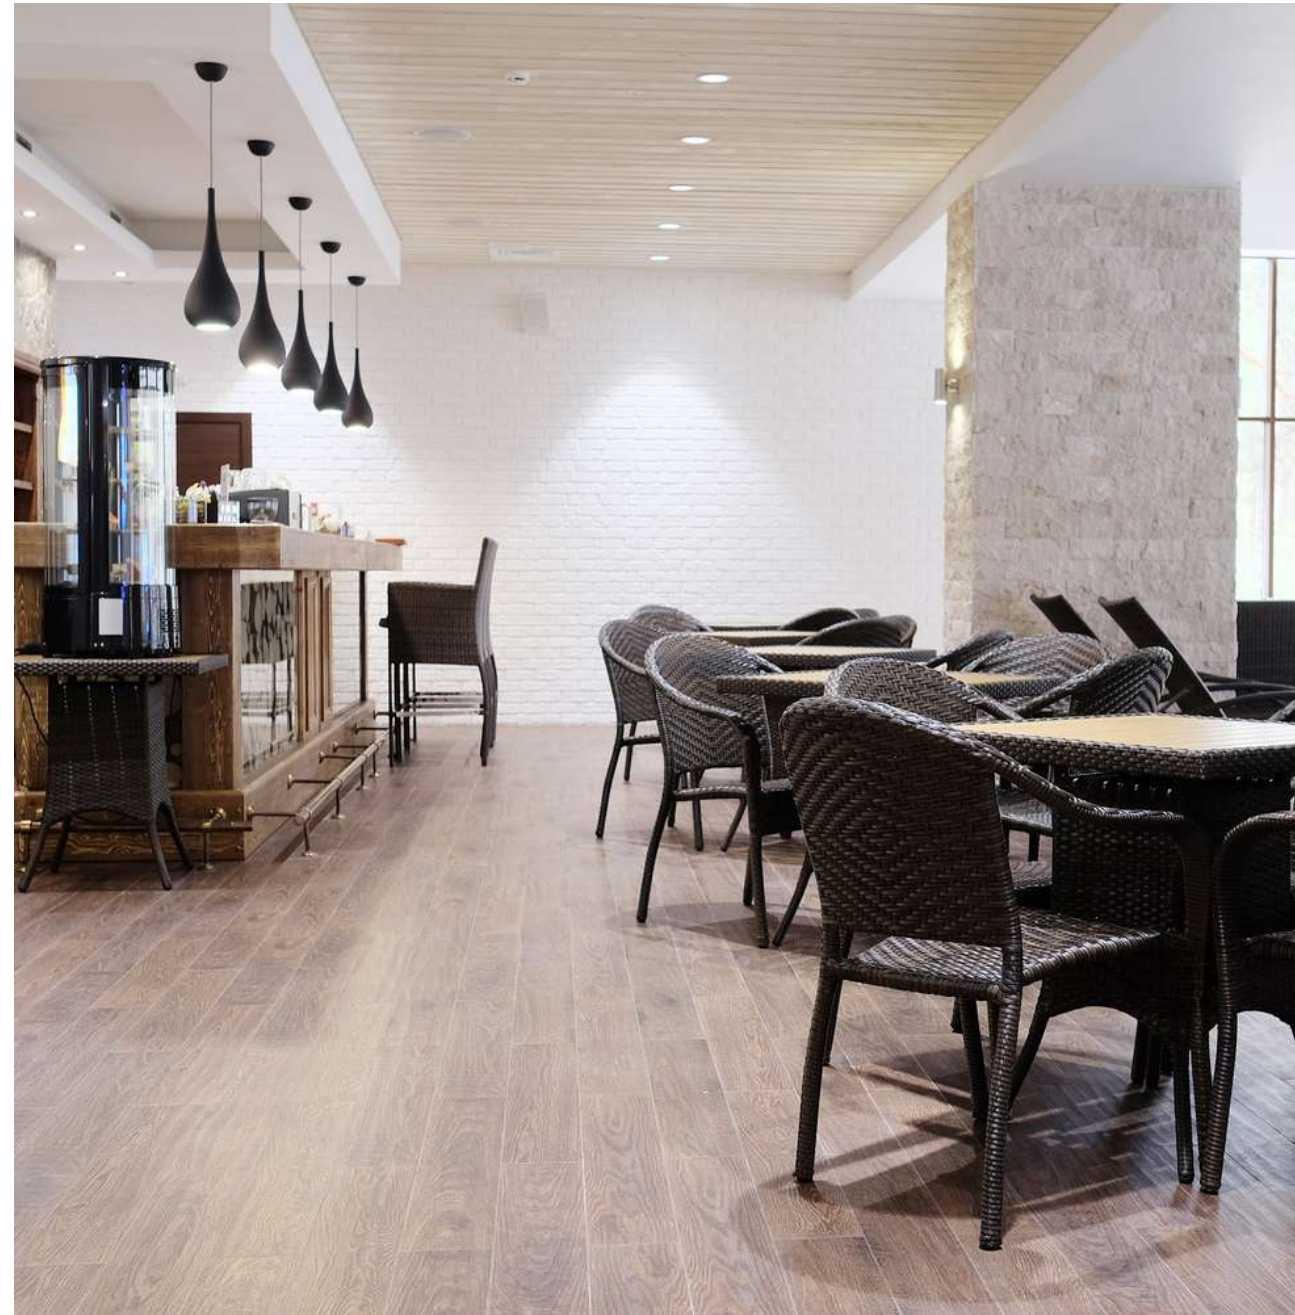

Restaurants

We at Pridespace design a variety of restaurant spaces, from brands to local restaurants. Its designs mix with function to create an ambiance that looks stylish, elegant yet comfortable.

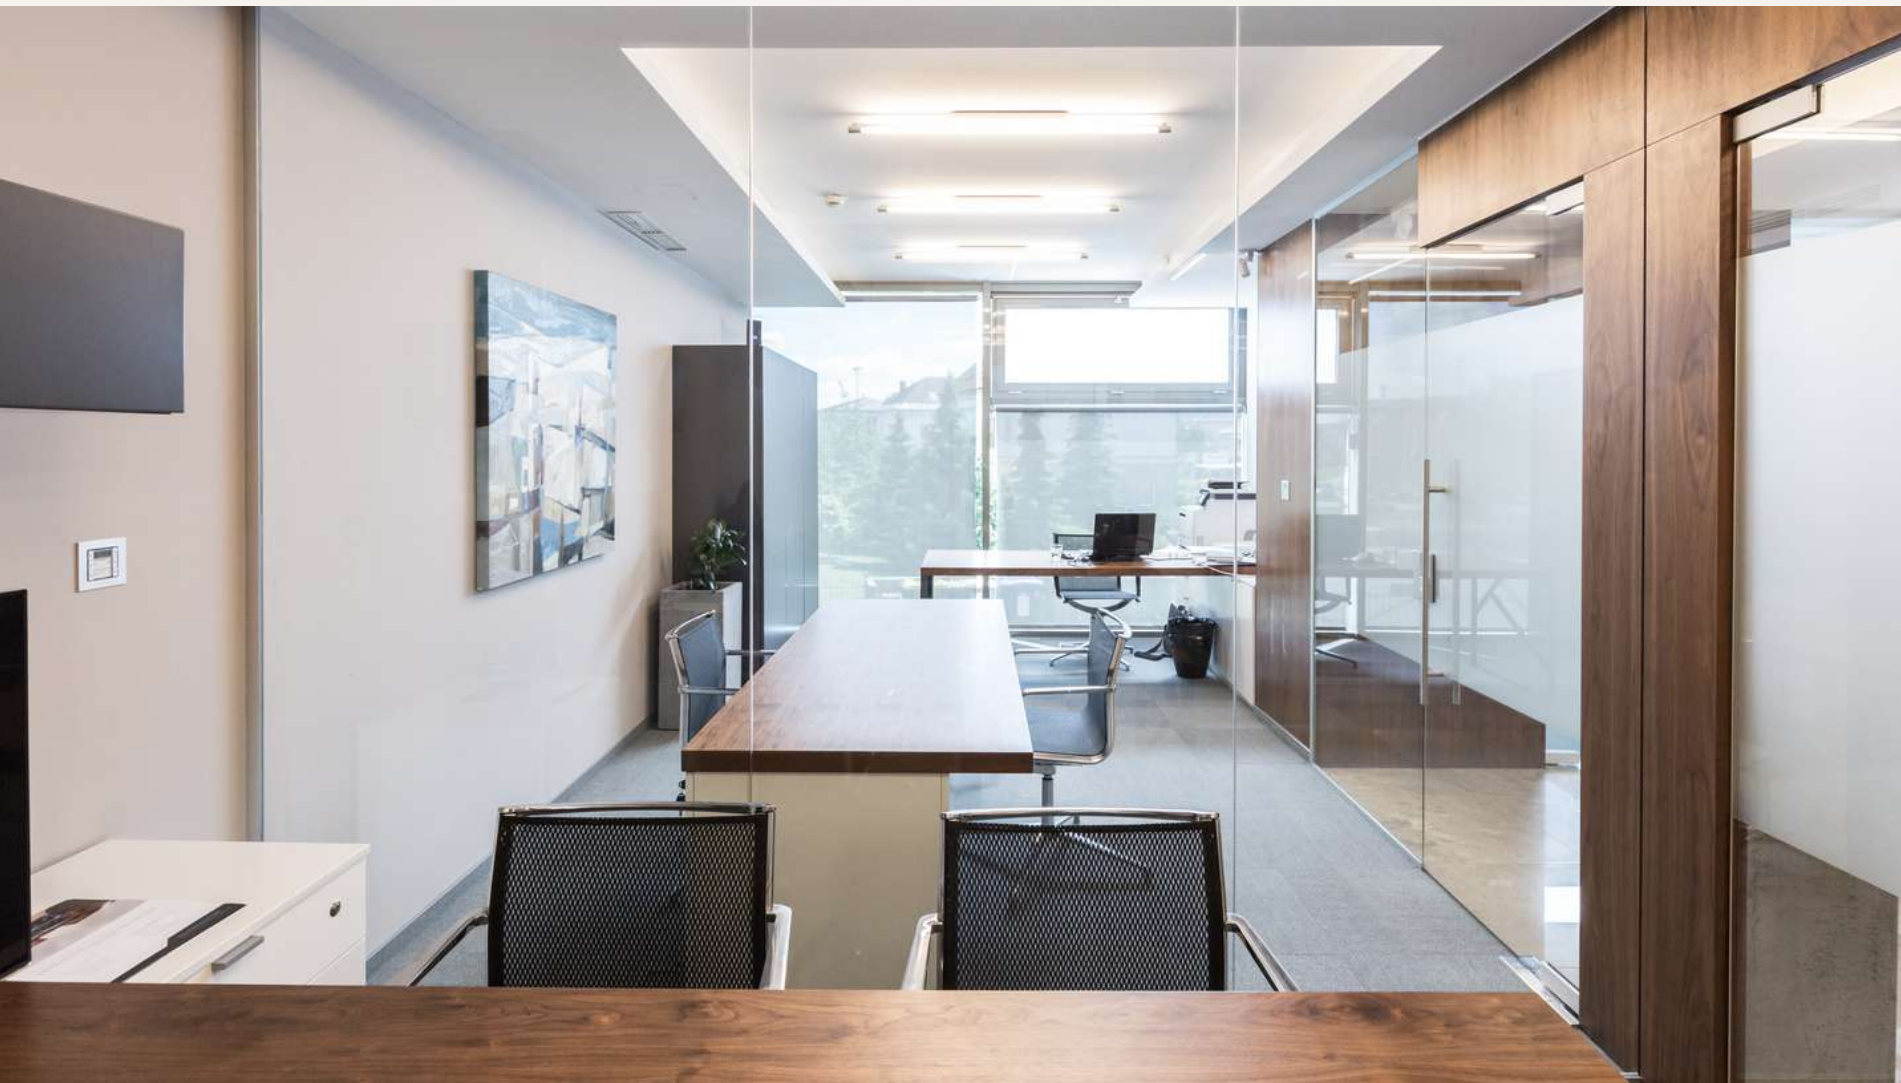

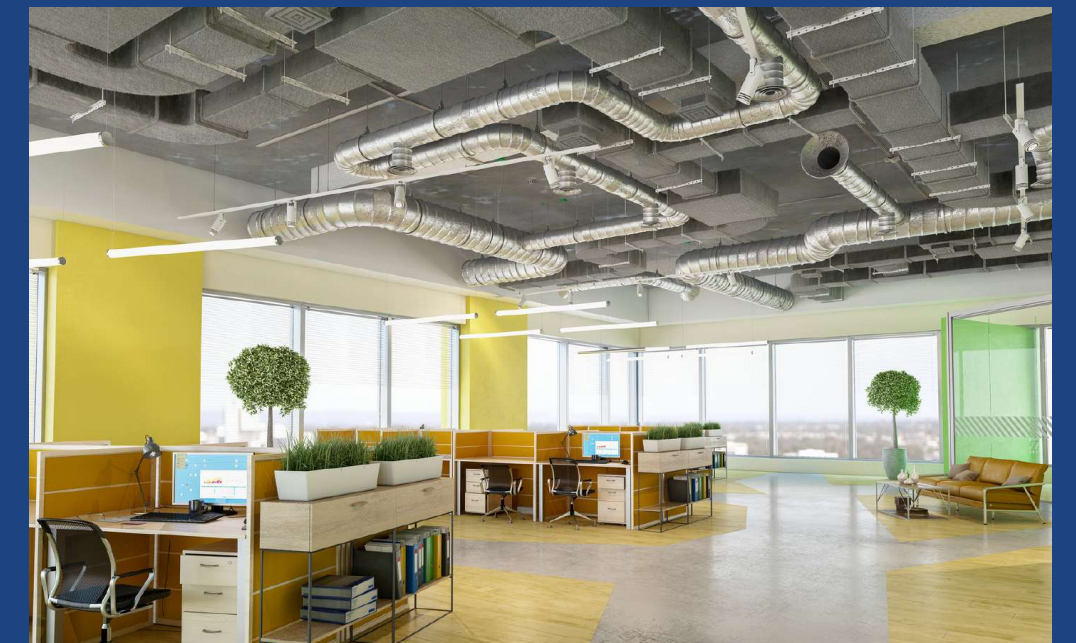

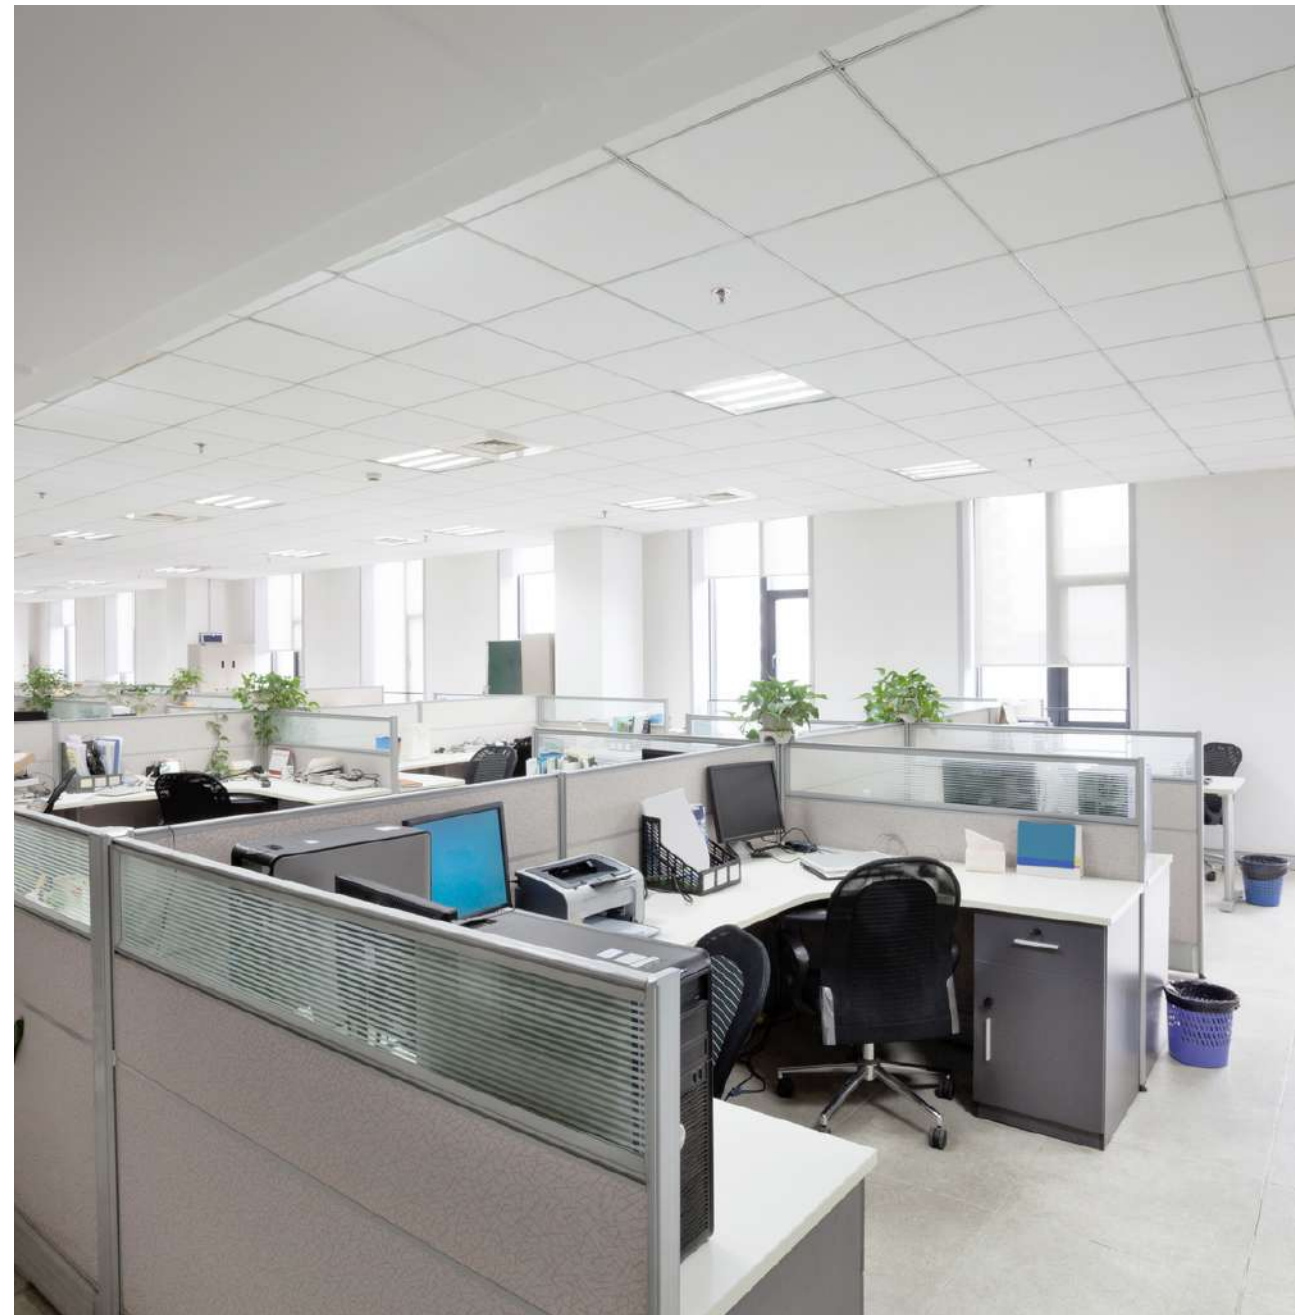

Commercial

We are well-proficient in rendering Commercial Interior Designing services to meet the diversified demands of our esteemed clients. The talented team of our designers and architects is efficient in designing any space that perfectly reflects its clients.

Bank

Being a client centrist firm, Example Interiors Pvt Ltd is instrumental in offering premium service for Bank Interiors Designing. We utilize the finest quality material alongside modern tools and technology.

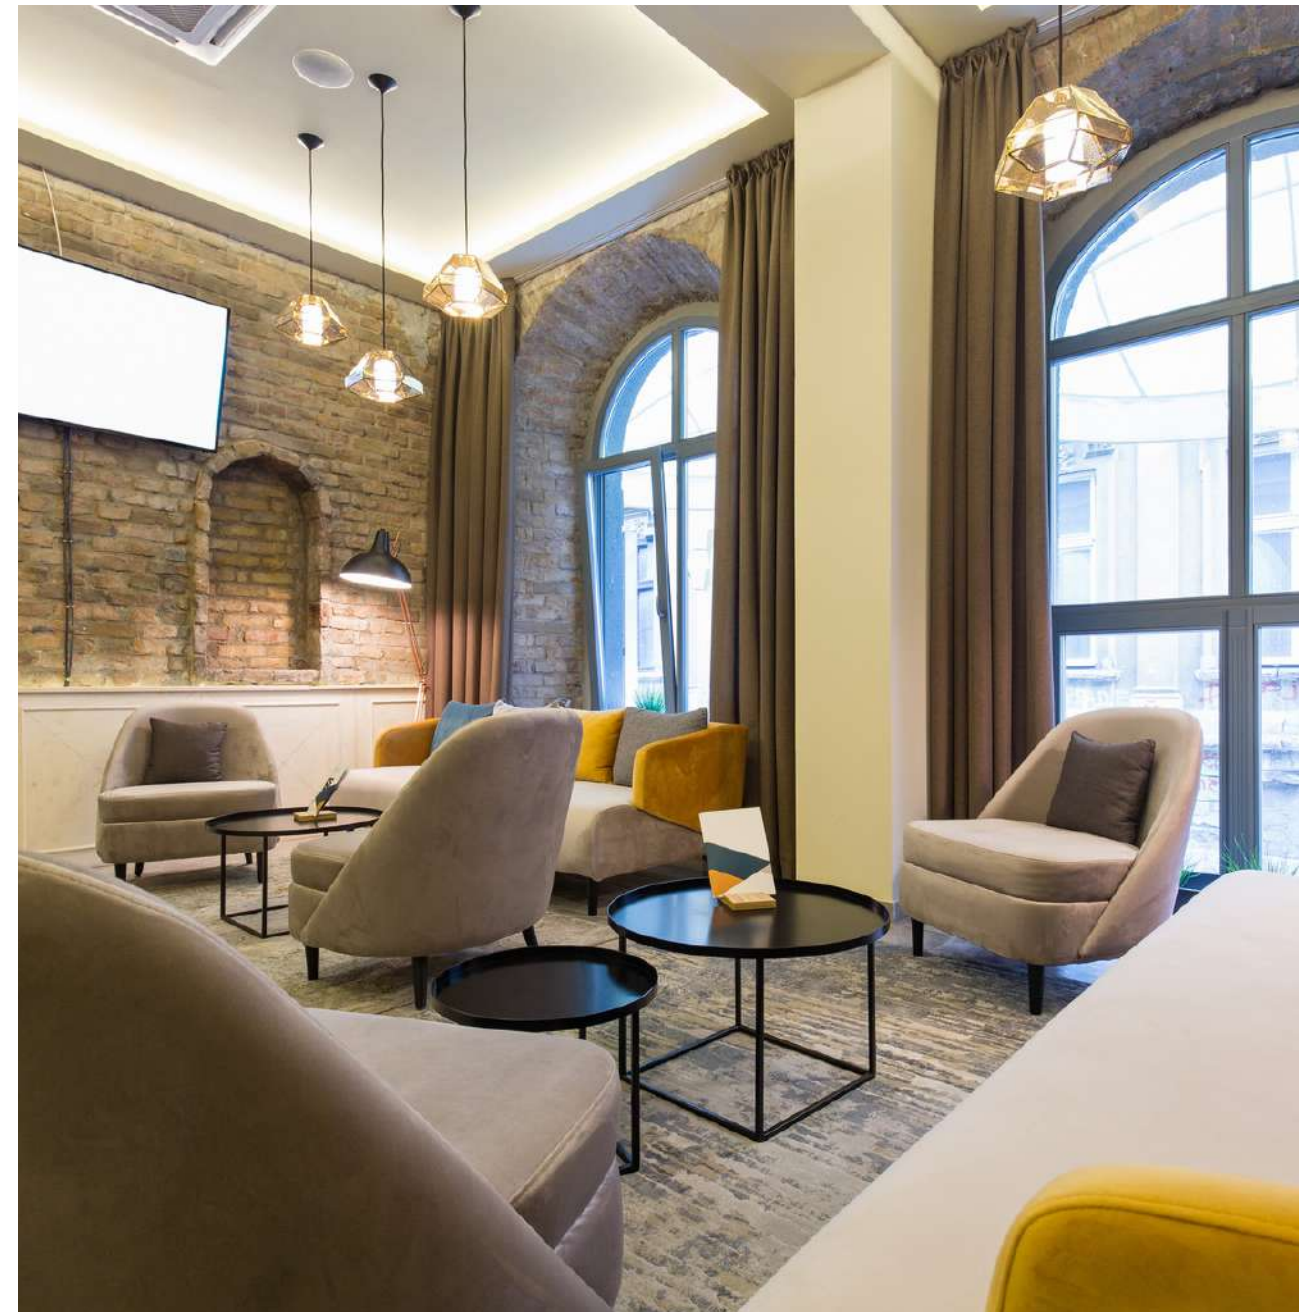

Cafe

We make sure that we go through each detail with you since the design and planning of an efficient and serviceable cafe is a complex and specialized task. We greatly emphasize fully understanding your needs before moving on to the development process.

Our Vision

We are committed to delivering inspired designs that fulfill client expectations through collaboration and exceptional service. We always aim to create designs tailored to our client's unique personal styles and practical needs. Much of our business comes from repeat clients and direct referrals.

Once people hire us, they seem to want to do it again! We aspire to convey the sense of passion we feel about our craft and our clients through our work each day. We hope to challenge and inspire generations of clients through design born of diversity, innovation, collaboration, laughter, and layers.

Why us

Responsive to our client's vision, we are committed to design and interpret our artwork through architecture, customising solutions, and integrity by meeting their needs well into the future.

We believe that every client has unique requirements and tastes. In order to support that we add up the best and most creative designs in order to make your dream become reality. Have endless ideas in mind that can impress you at every step. You are always welcome to discuss your ideas.
